Dear Sirs,

- **APTRANSCO – Hyderabad Integrated SCADA Project**
- **Successful completion of SAT**

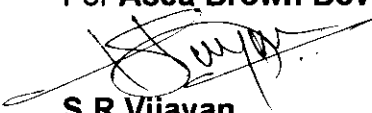

The 1000 hrs. System Availability Testing for the Hyderabad SCADA system conducted between 21-09-2002 to 02-11-2002, has been completed successfully.

The commendable job done by your team of engineers, by continuous monitoring and taking immediate corrective actions both at DCC and field has seen us through this testing. Besides, continuous monitoring the team is highly appreciated for coordinating the quick restoration activities which has enabled the test to be completed with a system availability of 99.93%. The approach towards restoring the system whenever there was a problem, exhibited their immense experience in solving the problems at DCC and field.

We, thank you for all the co-operation extended to us during this crucial test. We, appreciate and would like to praise each of your following engineers who have done an excellent work and have equally contributed in completing the test.

1. Mr. Venkatesh.R
2. Mr. Balayogeswar.A
3. Mr. Srihari.G
4. Mr. Suneel Kumar.K
5. Mr. Srinivas.E.N
6. Mr. Ramana Rao.B
7. Mr. Ramaniah

Yours faithfully,  
For **Asea Brown Boveri Ltd.,**
